Dear Partners & Friends,

Praise Him!

During the Kenya Fire Conference of 2008, hungry pastors and church leaders were blessed by the moving of the Holy Spirit. A deaf lady was healed. Another lady who had digestive track issues was healed. There was a tremendous outpouring of the Holy Spirit on the last day of the conference with a service that lasted most of the day. People were dancing, singing and receiving from the Lord. During the day, I was able to minister in a local park and on the streets. Several people were saved and set free.

After the conference, Bishop Charles Marita graciously extended an invitation for me to return to Nakuru, Kenya August 18-23, 2009 to be a guest minister for the Fire Conference and to preach evening crusades around Afraha stadium. Preaching that the blood of Christ is greater than sin, sickness, and poverty, the Holy Spirit wants to bring greater repentance, national reformation, and new bold spiritual and political leadership.

I am asking you to partner with me on this memorable missions trip. By giving outside of our comfort zones (locally, nationally and internationally), we will receive blessing which will be outside of our normal blessings! With your prayers and finances, we can together receive a new harvest of souls. By planting seeds, you can be a part of a new wave of the Spirit of God with eternal rewards! I will be accompanied on this trip by Jayce Solek and Web Pastor Michael Rousey to release a powerful spiritual blessing.

Thank you for prayerfully considering being a partner with us on this trip. Isaiah 61 is our foundational chapter of faith and expectation for this crusade! For more information on the trip and short videos from last year's crusade, visit our website at www.kimnorris.org or write us today!

In His Love,
